

## Angle grinders

### L 3709/115

**Order no. 334.979**

#### Advantages at a glance

- Compact dimensions
- Additional handle for right and left handed use
- Spindle lock: for easy disc changes
- Tool-free adjusting of safety guard
- Extensive dust protection for motor and gears
- Flat gearbox of light alloy: reaches into all corners
- Quality shut-off carbon brushes: if the carbon brushes wear down, the motor will be automatically switched off and thus protected from damage

#### The 750 Watt angle grinder

Extreme slim body design with ergonomic form, light weighted and an excellent price performance ratio.

Technical attributes	L 3709/115
Max. disc diameter	115 mm
