

Surface finishing Metal and Wood

LL 1107 VEA

Order no. 289.434

Technical attributes	LL 1107 VEA
Power input	710 Watt
Power output	420 Watt
Speed without load	700-2300 rpm
Max. disc diameter	115 mm
Sanding head level	13 mm
Weight	2,70 kg

Advantages at a glance

- FLEX VE electronic control: with infinitely-adjustable speed control
- Foam coating under gearbox housing: prevents scratching of already treated surfaces
- Quality shut-off carbon brushes: if the carbon brushes wear down, the motor will be automatically switched off and thus protected from damage
- Special accessory: metal carrying case (order no. 303.224)

The FLEX Flounder, when things get tight

The Flounder is in its element wherever narrow intermediate spaces need sanding. The extremely flat grinding head can access slits with a gap width of only 15 mm or more. This saves strenuous work and troublesome caustic removal on shutters, balcony panels and floors under heating radiators.

Standard equipment

1 side handle	194.034
Sandpaper grit 50, 115 Ø	1 piece of 208.833
Sand paper grit 80, 115 Ø	1 piece of 208.868
