

Core drill technology

VP 5

Order no. 259.458

| Technical attributes | VP 5 |
|----------------------|----------|
| Power input | 350 Watt |
| Pumping capacity | 83 l/min |
| Capacity | 8 l |
| Weight | 12,00 kg |

| Standard equipment | |
|--------------------|---------|
| 2,5 m vacuum hose | 259.460 |

Advantages at a glance

- Carrying handle: for easy transportation
- Filter and trap: dirt and dust is not sucked up
- Safety valve: pressure monitoring gauge, non-return valve, safety tank

The FLEX vacuum pump for BED 163 and BED 303

The handy pump with its high capacity of 5 m³/h, provides the necessary suction and secure stance for the stationary drill stand. It is put to use everywhere on level surfaces where the stationary drill stand cannot be affixed with dowels, but rather with the conversion kit for vacuum attachment.
